

CURRICULUM VITAE

Samuel Soita China
Email: schina@mmust.ac.ke

Personal Statement

I hold a doctorate degree in Land Use Planning and Geo-Informatics from the University of Southampton, United Kingdom. I possess skills and knowledge needed in land use planning, soil and water conservation, water supply, irrigation, water harvesting, disaster risk reduction, environmental management and land development. Currently I teach courses related to land use planning, disaster risk reduction, environmental pollution and control, research methods and research projects. I am registered with NEMA as a lead expert in Environmental Impact Assessment/Audit. I am also a member of Environment Institute of Kenya (EIK). Further, I am registered with the Commission for University Education as a peer reviewer. I am a member of the Association of Disaster Management and Conflict Resolution of Kenya (ADMCRK). Currently I am an Associate Professor in the department of Disaster Management and Sustainable Development, of Masinde Muliro University of Science and Technology. I am devoted to achieving best practices in capacity building through training, research, consultancy and community service. I believe that mankind will achieve sustainable development only if he/she can gather the courage to confront current problems with unrelenting zeal, humility, ethical ideals, passion, devotion, selfless ambition, knowledge and skills.

1.0 Personal Details

Name	:	Samuel Soita China

Email	:	schina@mmust.ac.ke or sschina2016@gmail.com
Languages	:	English, Kiswahili and Luhya

2.0 Education

PhD: Land use planning and Geo-informatics; 1990-1993; University of Southampton, U.K.; Supervisor: Prof. A.T. Tanton.

M.Sc. Agricultural Engineering; 1981-1983; The Pennsylvania State University, USA; Supervisor: Prof. Albert R. Jarrett.

Post Graduate Diploma: Soil Conservation; 1978-1979; University of Nairobi, Kenya; Supervisor: Prof. T.B. Thomas.

B.Sc. Agriculture; 1973-1976; University of Nairobi, Kenya; Prof. Richard Musangi

3.0 Employment History

Masinde Muliro University of Science and Technology:

- Associate Professor : February 2012 to date
- Senior Lecturer: May 2008 – February 2012
- Lecturer / Research Fellow: April 2005-May 2008

Egerton University:

- Part time (senior lecturer) : 2000-2005
- Senior lecturer : 1987-2000
- Lecturer : 1980-1987

4.0 Appointments and contributions

At Masinde Muliro University of Science and Technology

- Chairman, Department of Disaster Management and Sustainable Development (DMSD) Feb. 2012 – August. 2014.
- Chairman of Department of Training and Academic Programmes (DTAP); April 2005 – August 2012.
- Chairman of Committee on re-structuring CDMHA; 2010
- Chairperson, senate committee on Examinations irregularities
- Chairperson, MMUST-Nairobi Aviation College linkage steering committee; 2006-2012
- Chairperson, MMUST –National Museums of Kenya linkage steering committee; 2014
- Chairperson, MMUST-Save the Children International linkage steering committee; 2014-2017.

At Egerton University

- Chairman, Department of Agricultural Engineering (AGEN); 1987-1990
- Faculty of Science & Engineering representative to Senate; 1996 - 1999
- Faculty of Agriculture representative to Senate; 1994 -1996

5.0 Leadership Experiences in conducting conferences and research

- 5.1 Chairman, steering committee of the 2nd National Symposium** on Disaster Risk Reduction in Kenya Managing Disaster Risks for Sustainable Human Development, held at Spa Resort, Lake Bogoria, Baringo County, Kenya, from 13th to 15th October, 2014.
- 5.2 Chairman steering committee of the 1st National Symposium on Disaster Risk Reduction in Kenya:** Envisioning Disaster Risk Reduction in Kenya by 2030 and Beyond, held from 29th to 31st January 2013 at Sirikwa Hotel, Eldoret, Kenya
- 5.3 Member of the organizing Committee** on International Conference on Disaster Risk Reduction and Conflict Resolution for Sustainable Development. Conference held from 18th to 20th July, 2012 at Masinde Muliro University of Science and Technology, Kakamega, Kenya.
- 5.4 Principal Investigator:** Promoting Rainwater Harvesting for Improved Food Security in Nzoia River Basin, Kenya. A project sponsored by the Commission for Higher Education between 2008 and 2011.
- 5.6 Project Leader:**
Rural Oilseed Processing Project to 1988-1989. A national project sponsored by IDRC, Nairobi, project.
- 5.7 Training Coordinator July-August 1989:**
Coordinated a course on Land Use Planning and Design of Soil and Water Conservation structures for District soil and water conservation officers of the **Ministry of Agriculture and Livestock Development** held at Egerton University between 2/7/1989 to 4/08/1989. The course was sponsored by SIDA.

6.0 Research Involvement

6.1 Research Projects

- Sustainable Land Management Project covering Bungoma, Kakamega and Siaya Counties. This is an ongoing, collaborative research project, affiliated to the Institute of Advanced Sustainability Studies (IASS), Potsdam, Germany, 2015 - ongoing
- The Influence of Land Use and Land Cover on Lusimu river sub-catchment. Project sponsored by the university under URF.
- Promoting Rainwater harvesting for improved Food security in Nzoia River Basin. Project sponsored by CHE, Kenya.
- Water harvesting for Livestock and domestic water use in Lare, Njoro and Rongai divisions, Nakuru District. A Netherlands Government/World Bank Funded Project.
